

Greetings New Subscriber,

Oyster River High School's, *Mouth of the River*, is a quarterly issued magazine. It began in 1963 as a newspaper and transitioned to a magazine in 2014, today it's both a print magazine and website. Each issue is filled with stories from around the community, special feature articles, and opinion pieces.

The magazine is written and managed by ORHS students with staff supervision provided by the advisor, Shawn Kelly. With a unique perspective on issues ranging from local to national, *Mouth of the River* draws in the attention of students, teachers, and others both inside and outside of the district and serves as a voice for the students. Our website, www.mor.news, includes current articles and past issues. The magazine features articles on a variety of topics, ranging from serious to comedic. Additionally, our online presence allows us to include online ways of reporting additional pictures, videos and our podcast, called *Voice of the River*. The links to our podcast can be found on our website.

For only \$25 you can support Mouth of River and have all four issues delivered right to your door! Becoming a subscriber to *Mouth of the River* will bring many perks; as a subscriber, you receive every issue in the mail, a day or more before the issue is officially released. You also get the inside scoop at the school from a student perspective!
